CERTIFICATION OF BOUNDARIES
CITY OF SKAGWAY

I, Lee McAnerney, Commissioner of the Department of Community & Regional Affairs, do hereby certify that the attached recommendation for a local government boundary change entitled

"Recommendation for annexation of
territory to the City of Skagway"

became effective on March 4, 1980.

A PETITION requesting the annexation of territory surrounding the present city boundaries and containing 443.10 square miles, more or less, was submitted by the city of Skagway and received by the Department of Community & Regional Affairs on July 27, 1979. After investigation of the petition by the Department, the Local Boundary Commission called for and held a public hearing at Skagway on November 17, 1979. Immediately following the hearing, the commission held a decisional meeting at which time the petition was accepted as submitted. The commission voted to recommend to the legislature the proposed boundary change.

THE COMMISSION'S recommendation was presented to the State legislature pursuant to Section 12, Article 10 of the Constitution of the State of Alaska:

Section 12. A local boundary commission or board shall be established by law in the executive branch of the state government. The commission or board may consider any proposed local government boundary change. It may present proposed changes to the legislature during the first ten days of any regular session. The change shall become effective forty-five days after presentation or at the end of the session, whichever is earlier, unless disapproved by a resolution concurred in by a majority of the members of each house. The commission or board, subject to law, may establish procedures whereby boundaries may be adjusted by local action.

THE SECOND SESSION of the Eleventh State Legislature received the Commission's recommendation on January 18, 1980 the fifth day of the legislative session. House and Senate Joint Resolutions proposing legislative disapproval of the Commission's recommendation, were not introduced. The Local Boundary Commission's "Recommendation for annexation of territory to the City of Skagway" became effective on March 4, 1980. The boundaries of the City of Skagway are now, therefore, as described in the Local Boundary Commission recommendation, to wit:

City of Skagway. Beginning at Mt. Bagot at Lat. 59° 21' N and Long. 135° 2' W. Thence due West on a straight line to a point in the center of Lynn Canal on Taiya Inlet at approximately Lat. 59° 21' N and Long. 135° 22' .5" W. Thence northwesterly to Monument No. 124 on the Alaska-Canada Boundary at Lat. 59° 44' N and Long. 135° 43' W. Thence northeasterly along the Alaska-Canada Boundary to the point of beginning, containing 443.10 square miles or more or less.

GIVEN under my hand and the Seal of the State of Alaska, in the City and Borough of Juneau, on this 10th day of April, 1980.
